

**SPORTSBOOK**

**OUR SPORTSBOOK  
HAS IT ALL**

As one of the world’s leading companies in innovative sports betting and gaming platform technologies, Digitain, with its **20+ years of industry experience**, is acclaimed for delivering the finest Sportsbook software solution.

Our very own, award-winning, GLI-certified Sportsbook is an exceptional sports-betting product that can handle the most complex needs of established platforms. Available via Turnkey solution, iFRAME API, Bespoke API, USSD/SMS betting, and Odds feed integrations.

We regularly develop effective partner-centric solutions using cutting-edge technology and a personalised approach. Over the years, Digitain’s Sportsbook has proven to be a must-have asset in the success journey of many iGaming businesses.

- Taxation system

# IT'S MORE THAN JUST A SPORTSBOOK

# OUR SPORTSBOOK IS PACKED WITH OFFERS

In iGaming, one of the best methods to attract and retain customers is to provide attractive bonuses and other rewards. Sport betting fans are more likely to give your app a try if they are aware of any bonuses or other rewards you may be providing. Having attractive and unique offers available will set a Sportsbook apart from the competition and encourage new users to start betting on sports events.

## GOALS AHEAD EARLY PAYOUT

The player wins  
as the team  
goes 2 goals  
ahead

## BONUSES FOR MULTI-BET

Players can  
get bonuses in  
both cases -  
win and lose

## ODDS BOOSTER

Players can bet  
with pre-composed  
multi-bets and earn  
additional payout

## BET RACE TOURNAMENT

Allow your players  
to place bets,  
collect points and  
tournament prizes

## TOURNAMENT/ EVENT PREDICTOR

to engage a new players

A clever marketing feature to boost your  
player acquisition and retention

BORE
